WORK EXPERIENCE

Front-End Developer 3Year's
Developed and maintained scalable and performant web applications using React.

Collaborated with UX/UI designers to implement visually appealing and intuitive user interfaces.

Integrated third-party APIs to enhance application functionality.

SKILLS

React.js: Proficient in building modern, dynamic web applications with React, utilizing components, state management, and routing.

Responsive Design: Expertise in creating visually appealing and user-friendly interfaces that seamlessly adapt to various screen sizes and devices.

JavaScript/ES6+: Strong proficiency in JavaScript, with a deep understanding of ES6+ features and best practices.

HTML5 & CSS3: Extensive experience in crafting clean and semantic HTML markup combined with stylish and modular CSS for a polished user interface.

RESTful APIs: Solid understanding of integrating front-end applications with RESTful APIs to fetch and update data.

Version Control/Git: Proficient in using version control systems, particularly Git, to collaborate effectively and manage

codebase changes.

Testing and Debugging: Skilled in writing unit tests and proficient in debugging to ensure robust and error-free applications.

Collaborative Team Player: Proven ability to work seamlessly in cross-functional teams, communicate effectively, and contribute to a positive and productive team environment.
